

# Cedar Invasion Program

in conjunction with

## Nebraska Great Plains Grassland Initiative

### Questions:

*Have pasture south of interstate 80 in the Sandhills?*

*Need help managing cedar trees?*

### Answers:

*We provide up to **75%** cost share on cedar removal.*

*Why, because we care about our last intact grassland!*

### TOO BUSY?

FIELD VISIT

COST ESTIMATES

**ALL IN LESS THAN 28 DAYS**

*is your pasture a mess?*

"THE GREAT PLAINS ACCOUNTS FOR NEARLY 50% OF US BEEF PRODUCTION (WISHART 2004), A \$79 BILLION INDUSTRY (USDA ERS 2011), BUT LIVESTOCK PRODUCTION HAS DECREASED BY 75% IN AREAS WHERE GRASSLANDS HAVE BEEN CONVERTED TO JUNIPER WOODLANDS (FUHLENDORF ET AL. 2008)." (TWIDWELL ET AL. 2013)
